### PROFILE

Innovative and deadline-driven college student with 3+ years of experience designing and developing software, game, and website from initial concept to final, polished deliverable. I can work in a team and under pressure. I am also a highly committed and dedicated person. My primary weakness is that I am a very ambitious person.

### EDUCATION

- ▶ 2008-2014 SDIT AL-AULIYA 2
- ▶ 2014-2017 SMPIT Al-Auliya
- ▶ 2017-2020 SMAK Harapan Bangsa
